

The NorBack Frame Pack

- 1** The polyethylene liner in the top of the NorBack can be easily removed if necessary. Just turn the NorBack inside-out, and slip the liner from its sleeve.
- 2** Use the zippered pockets on the inside of the NorBack for energy gels, CO2 cartridges, keys, coins, or other small items.
- 3** The NorBack is useful for many things, including a mini-pump, tools, a cell phone or small camera, arm warmers, and even a light jacket.
